

God is here guiding us.
Hope for what God
has in store.
~Fr. Jason Gries

Stewardship of Treasure Renewal

If everyone who currently gives to Holy Redeemer would increase their giving by only \$10 a week, we would effectively eliminate the projected deficit in this year's budget. This \$10 may be a sacrifice, but God calls us to something greater than ourselves. For some, the sacrifice could be omitting 2 Starbucks coffees a week, cutting out one meal eating out, choosing to drink water as a family when you eat out once a week, or skipping a weekly family visit to the donut shop. There are many more ways to make a sacrifice equal to \$10 a week. Each of us has something that we can do without for the greater good of all the ministries that we have at Holy Redeemer.

Current Weekly Giving: \$_____

Additional Weekly Giving: \$_____

New Weekly Giving: \$_____

*** Note: If you are currently enrolled in EFT, your signature below authorizes Holy Redeemer to increase your EFT to the New Weekly Giving amount written to the left starting January 1, 2019.**

I (and my family) make this pledge to greater weekly giving through sacrifice so that God can continue to reach others through the ministry of our parish family of Holy Redeemer.
